UNIVERSITY-LEVEL EDUCATION

PhD Information Technology	Kibabii University, January 2014 - December 2017 Thesis: Update of the DeLone and McLean's Information System Success Models to Focus on Mobile Instant Messaging
MSc Quantitative Research Methods	Maseno University, January 2011 - December 2014 Project: Sustainable use of Business Intelligence Tools in the Soft Drinks Industry
MPhil Information Sciences (IT Option)	Moi University, September 2007 - December 2011 Thesis: Adoption and Use of Enterprise Reporting Systems at Kisii Bottlers Limited
BSc Computer Science and Engineering	Maseno University, January 2002 - December 2006 Classification: Second Class Honors Upper Division

CURRENT EMPLOYMENT

A. KENYATTA UNIVERSITY - MAMA NGINA UNIVERSITY COLLEGE

1. Dean, School of Pure and Applied Sciences

January 2023 -To Date

Leading research and teaching of various postgraduate and undergraduate programs in the School of Pure and Applied Sciences

2. Chair, Department of Computing and Information Technology

August 2023 -May 2024

Leading research, and teaching of various postgraduate and undergraduate programs in the Department of Computing and Information Technology

3. CISCO Networking Academy Manager and CCNA Instructor

September 2023 -To Date

Leading the Academy and teaching and examining the following CCNA courses offered by the School of Pure and Applied Sciences.

4. Senior Lecturer – Computing and Information Technology

August 2023 -To Date

Research, teaching and examining various postgraduate and undergraduate units in the department of Computing and Information Technology.

5. Chairperson of University Committees

September 2023 -To Date

- i. ICT Committee (Chairperson)
- ii. ERP Contract Implementation Committee (Chairperson)
- iii. Open, Distance and E-Learning Committee (Chairperson)
- iv. Enhancing MNUC Niche on Digital Technology and Primary Healthcare (Chairperson)
- v. University Disposal Committee FY 2024/2025 (Chairperson)
- vi. KIEP-SKIES Grant Implementation Committee – Focal Person/Principal Investigator
- vii. Cultural Week Committee (Chairperson)

6. Member of University Committees

September 2023 -To Date

- i. Science Technology and Innovation Committee (Member)
- ii. MNUC Productivity Mainstreaming Committee (Member)
- iii. MNUC Grant Writing Championship Committee (Member)
- iv. Training Committee (Member)

---| CURRICULUM VITAE |---

- V. Mentorship Committee (Member)
- Vi. Evaluation Committee - ERP Hosting Infrastructure Hardware and Software (Member)
- Vii. Library Management and ICT Committee (Member)

2. Director, Open Distance & E-Learning (Acting)

Various dates between December 2022 and August 2023

Leading integration of the ICT in teaching and learning across the University.

3. Senior Lecturer – Computer Science & Informatics

September 2022 – August 2023

Research, teaching and examining various postgraduate and undergraduate units in the department of Computing and Informatics.

4. Chair of University Committees

September 2023 – To August 2023

Network Expansion Inspection and Acceptance Committee

5. Member of University Committees

September 2023 – To August 2023

- i. International Conference on Climate Changes
- ii. ODeL Committee
- iii. Network Expansion Contract Evaluation Committee

B. KISII UNIVERSITY

1. Director, E-Learning

March 2019 – November 2022

Establishing and directing implementation of eLearning in the University. Integrating emergent technologies in teaching and learning in the University

2. Lecturer – Department of Computing Sciences, School of Information Science & Technology

February 2019 – November 2022

Research, teaching and examining various postgraduate and undergraduate units under the following programs offered by the School of Information Science and Technology.

3. Chair of University Committees

September 2023 – To August 2023

- i. ERP Inspection and Acceptance Committee (Chairperson)
- ii. University Network Working Group (Chairperson)

4. Member of University Committees

September 2023 – To August 2023

- i. E-Learning Committee (Secretary)
- ii. Website and Digital Engagement Committee (Member)
- iii. Job Description Committee (Member)

A. MASENO UNIVERSITY

1. Lecturer - School of Computing and Informatics

December 2017 - To March 2019

Research, teaching and examining various postgraduate and undergraduate units under the following programs offered by the School of Computing and Informatics.

2. Kisumu, Homabay and E-Campus Programs Coordinator

April 2015 - December 2016

Performing duties on behalf of the Dean in regard to programs offered by the School of Computing and Informatics and other duties assigned by the Directors of campuses.

3. CCNA Instructor - School of Computing and Informatics

September 2009 - To March 2019

Teaching and examining the following CCNA courses offered by the School of Computing and Informatics; IT Essentials - PC Hardware and Software, CCNA I - Network

Fundamentals, CCNA II - Routing Protocols and Concepts, CCNA III - LAN Switching and Wireless, CCNA IV - Accessing the WAN

4. Performance Contracting Representative - Kisumu City Campus

April 2015 - December 2016

Providing leadership in the execution of performance contract between the Principal Kisumu City Campus and The Vice Chancellor Maseno University. Regular review of items of the contract for the specific units under Kisumu City Campus

EXAMINATION OF POSTGRADUATE THESES|

A. DOCTOR OF PHILOSOPHY THESES

1. **The Role of Folk Media Social Commentary in Nambale Subcounty – Kenya**
Jonai Wabwire - PhD in Media and Communication
Kisii University – October 2019
2. **E-Agriculture Framework for Improving Crop Productivity Among Small-holder Farms in Rural Kenya. A Case of South Eastern Kenya.**
Daisy Mburu - PhD in Library and Information Science
Kisii University – October 2019
3. **An Implementation Framework for National Digital Research Repository System. A Study of Selected Stakeholders in Kenya.**
Gichiri Peter Mwangi - PhD in Information Science
Kisii University – June 2019

B. MASTERS THESES

1. **Assessing the Extent of Utilization of Mobile Devices in Accessing Information from Public University Libraries in Kenya.**
Burudi Peter Shibonje – Master of Science in Information Science
Karatina University – August 2023
2. **An Information Security Self-assessment tool for e-governance implementation in Kenya's County Governments**
Gladys Korir - Masters in Information Technology
Kabarak University – October 2019

3. **Developing a Model for Security Control in Web Content Management Systems.**
Alex Maraga - Master in Information Systems
Kisii University - June 2021
4. **Application of GIS-Enabled Technology to Analyse Risk Factors for Malaria Prevalence.**
Onoka Kelvin Onyango - Masters in Information Science
Kisii University - February 2019
5. **Modifying a Security Model for Detection of Insider Security System Threats in Public Universities in Kenya**
Walumbe Wapukh Denis - Master of Science in Information Systems
Kisii University - September 2019
6. **An Analysis of Factors for Effective Information Security Control Systems in TIVETI in Nairobi Kenya.**
Rachel Wangui Koroko - Masters of Information Science
Kisii University - October 2018
7. **The User Involvement in the Implementation of Enterprise Resource Planning Systems in Public Universities. A Case of Kisii University.**
Ben Mariga Bogonko - Master of Information Systems
Kisii University - February 2019
8. **Records Management Practices for the Support of Governance of the County Governments of Kenya. A Case of Nyamira County.**
Osebe Rodger Mokandu - Masters of Information Science
Kisii University - August 2019
9. **Influence of Organizational Culture on the Implementation of Security Practices for Information Systems at Moi University.**
Jared Ngare - Masters of Information Systems
Kisii University - June 2021
10. **Block Chain-Based Smart Contracts Model for Real Estate Management.**
Alex Kibet - Masters in Information Technology
Kabarak University - July 2019

SUPERVISION OF POSTGRADUATE STUDENTS |

A. Doctor of Philosophy Students Supervised to Completion

1. **Thesis Title: Designing User Acceptance of Biometric Voter Registration Technology.**
Richard Nyakundi - PhD Information Technology
School of Computing and Informatics. , Kibabii University
2. **Thesis Title: BOYD Integration framework for Institutions of Higher Learning in Kenya.**
Samuel Oonge - PhD Information Technology
School of Computing and Informatics, Maseno University
3. **Title: Information Literacy in Secondary Schools in Kenya.**
Gekara M. M. - PhD Information and Information Science
School of Information Sciences and Technology, Kisii University.

B. Doctor of Philosophy Students Under Supervision

- Title: Promoting Mobile E-Surveillance Adoption Among Kenyan Farmers: An Incentive Design Approach for Improved Crop Pest and Disease Control.**
Gordon Ouma – PhD in Information Systems
School of Information Sciences and Technology, Kisii University.
- Title: Enhanced Data Transmission in Mobile Banking Using LSB-AES Algorithm.**
Daniel Okari – PhD in Information Systems
School of Information Sciences and Technology, Kisii University.

C. Master Degree Students Supervised to Completion

- Thesis Title: A Comparative Analysis of the Performance of Open Shortest Path First and Openflow Routing on Quality-of-Service Metrics in a Large Simulated Mobile Core Network.**
Nicholas Odhiambo – Master of Science in Computer Science
School of Computing and Informatics, Maseno University.
- Thesis Title: A Usability Evaluation Framework for Web Based Learning Management Systems Used in Kenyan Universities.**
Musau Victor Vincent – Master of Science in Information Systems.
School of Information Sciences and Technology, Kisii University.
- Thesis Title: Information Communication Technology and Performance of Secondary Schools in Kajiado County, Kenya.**
Danvas Nyarango – Master of Science in Information Science.
School of Information Sciences and Technology, Kisii University.
